

**NYSDOT Website Announcement**  
**REST AREA WASTEWATER TREATMENT PLANT OPERATIONS AND**  
**MAINTENANCE SERVICES FOR NYSDOT**  
**Contract #C038071**

The New York State Department of Transportation (NYSDOT) anticipates the release of the Request for Proposals (RFP) on Friday, April 14, 2023 seeking the services of one (1) qualified, responsive, responsible and experienced Operations Management Consultant for the provision of managing, operating and maintain the Department's two (2) Wastewater Treatment Plants (WWTP) and five (5) Water Treatment Systems (WTS) located in various locations in NYSDOT's Region 8 (Hudson Valley area) in the manner that is compliant with all applicable permits and regulations.

The base term of this contract is sixty (60) months.

The proposal due date of June 6, 2023, is subject to change.

For a full description of the project requirements, please visit the NYSDOT website at: <https://www.dot.ny.gov/business> and click on "Consultant Service Opportunities" then click on the date associated with Contract #C038071 (available after release of the RFP).

**Procurement Lobbying Law Compliance:**

Under the requirements of the State Procurement Act, communications regarding the advertised project/procurement may only occur through the Designated Contact(s). Communications exempted from this restriction are participation in a pre-proposal webinar/conference and any protests or complaints of improper conduct or misrepresentation.
